

HUDSONWAY IMMERSION SCHOOL

After School Enrichment

Semester 1 2021-22

NJ Campus

Preschool | Elementary | Middle School

Preschool Offerings (Age: 3-5 years)

Soccer

Super Soccer Stars

Students learn soccer fundamentals in a fun, non-competitive, educational environment. Progressive lessons develop soccer skills such as dribbling, shooting and the introduction of passing. Classes include partner activities to promote sharing, listening, respect and cooperation. Physical activities include dynamic exercises like moving with pace, changing directions and lateral agility.

Monday 3:45-4:30pm 15 weeks (week of Sep 20-Feb 2) \$450

Spanish Language

Our young students learn through the use of songs, games, art & crafts, movement, and role-playing activities in our after school immersion class. Students practice speaking, listening, reading, and writing in Spanish. Fun themes are adopted from our day school preschool program to ensure hands-on and interactive learning for young children.

1 day a week: Wednesday or Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$1,750

2 days a week: Wednesday & Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$2,950

Mandarin Language

Our young students learn through the use of songs, games, art & crafts, movement, and role-playing activities in our after school immersion class. Students practice speaking, listening, reading, and writing in Mandarin. Fun themes are adopted from our day school preschool program to ensure hands-on and interactive learning for young children.

1 day a week: Wednesday or Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$1,750

2 days a week: Wednesday & Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$2,950

Robotics Discovery

FIRST® LEGO® League introduces science, technology, engineering, and math (STEM) to young children ages 4-6 through fun, exciting hands-on learning. The Discovery program focuses on problem solving, persistence and teamwork. Additional Materials cost \$100.

Wednesday 3:45-4:45pm 15 weeks (week of Sep 22-Feb 2) \$600

Elementary Offerings (Grades K-4)

Math (Grades 2 & 3)

Art of Problem Solving

HWIS is partnering with Art of Problem Solving to provide enrichment in math skills for students of Grades 2-3. Class is onsite with a live virtual AoPS instructor who helps guide the thought process of students to understand the most effective methodologies of solving problems and how to extend this process to increasingly challenging problems. HWIS staff supervises supplemental problem-solving after each class. Since 1993, Art of Problem Solving has helped train the next generation of STEM leaders.

Monday & Wednesday 3:35-5:05pm 18 weeks (week of Sep 20-Feb 9) \$1,300

Chess Beginner (K-2nd)

Growing Minds

This class is for those students who are new to chess or have very basic knowledge of chess. We will learn how to unlock the skills needed to be successful in learning the game of chess. We will learn and apply the 3 P's: Pieces, Practice and Playing. Your child will learn through fun mini games, gamification and engagement.

Monday 3:45-4:45pm 15 weeks (week of Sep 20-Jan 24) \$600

Chess Intermediate (Grades 3-7)

Growing Minds

This class is for those students who have mastered the introductory chess topics and are looking to build on those foundations. Students will learn how to build and execute plans for each stage of the chess game. This class will also focus on examining classical chess games where the instructor will break down the concepts for the students to learn. There will be a "game of the day" selected by the teacher reviewed in the following class.

Tuesday 3:45-4:45pm 15 weeks (week of Sep 21-Jan 18) \$600

Robotics Explorers (Grades 1-4)

The 1st-4th grade students will be using WeDo2.0 app, learning about flowcharts and coding to design, build and code a robot in real life scenarios. Materials cost: \$150

Friday 3:45-4:45pm 15 weeks (week of Sep 24-Jan 21) \$600

Spanish Language (Grades 1-4)

Guided by HWIS' innovative and proven immersion model, the after school program uses the project-based approach and theme-based curriculum to best support second language acquisition for students in elementary ages. Each class is designed with interactive learning activities, small group practices to ensure students enjoy the learning of Spanish. All areas such as listening, speaking, reading and writing will be focused in class.

Beginner Class:

1 day a week: Wednesday or Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$1,750

2 days a week: Wednesday & Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$2,950

Intermediate Class:

1 day a week: Wednesday or Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$1,750

2 days a week: Wednesday & Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$2,950

Mandarin Language (Grades 1-4)

Guided by HWIS' innovative and proven immersion model, the after school program uses the project-based approach and theme-based curriculum to best support 2nd language acquisition for students at elementary ages. Each class is designed with interactive learning activities, small group practices to ensure students enjoy the learning of Mandarin. All areas such as listening, speaking, reading and writing will be focused in class.

Beginner Class:

1 day a week: Wednesday or Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$1,750

2 days a week: Wednesday & Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$2,950

Intermediate Class:

1 day a week: Wednesday or Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$1,750

2 days a week: Wednesday & Thursday 3:45-5:15pm 32 weeks (week of Sep 22-Jun 9) \$2,950

Soccer (Grades 1-3)

Super Soccer Stars

Students improve sportsmanship and soccer ability through fun games, technical skill development and group activities. The primary focus is to increase familiarity of space to enable children to develop team skills in a game environment. Each class includes ball activities with high repetition to promote muscle memory that builds confidence and ball control skills.

Wednesday 3:45-4:45pm 15 weeks (week of Sep 22- Feb 2) \$450

Middle School Offerings

Chess Intermediate (Grades 3-7)

Growing Minds

This class is for those students who have mastered the introductory chess topics and are looking to build on those foundations. Students will learn how to build and execute plans for each stage of the chess game. This class will also focus on examining classical chess games where the instructor will break down the concepts for the students to learn from.
